Thank you for joining us at Leroy's Kitchen & Lounge! As we all adjust to our current situation, below are some guidelines we are asking all our guests to adhere to while dining with us. These guidelines are not only for the safety of you, our guests, and our staff, but to ensure we are able to continue to move forward and hopefully be able to ease some restrictions with time. We thank you for your cooperation and patience as we all adapt to these unusual times.

- All guests need to wear face coverings while not at their table.
- We ask all guests to wear masking when interacting with our staff.
- Please maintain six feet of social distancing whenever possible.
- Our staff will wait for you to signal for them to come to the table to assist you.
- We will provide bottle or tap water as requested, but we will allow you to refill your own glass.
  - Please be prepared to order your entire meal at one time, including drinks.
  - If the restroom is occupied, please do not wait in the hallway.
- We will wait to clear everyone's plate at the same time. So it is clear to our staff that you are finish you can either place your silverware at the top of the plate with all handles facing to the right, or you can slide the plate to the side or middle of the table.
- If you have any left overs we will provide you with boxes for you to package the food yourself.
